- What has this instructor done especially well?

She is a great technician! She was great for teaching technique, discussing why it was important, + applying it directly!

- Do you have specific suggestions for improvement in course or instructor? If so, please elaborate.

I think there were some days where she wasn't so prepared w/ what the choreography was. For me, it's helpful when dance teachers have their choreography prepared, but I understand if this is a unique teaching feature! Not everyone knows chore on that spot.
